**FOR IMMEDIATE RELEASE**

To Town of Riverhead residents,

In regards to the recent News 12 interview involving dispatch services for Riverhead Volunteer Ambulance Corps by the Town of Riverhead Police Department:

The Board of Directors are aware of the current state of our dispatching service and have been in direct contact with our town liaison Councilmen Tim Hubbard. Councilmen Hubbard has assured us that a meeting is being planned with all parties involved to come to a mutually agreeable solution to best benefit the community that we serve. At this time, dispatch services will remain with the Town of Riverhead Police Department while our concerns with staffing levels and technology are addressed and a long term resolution to any of the outstanding issues can be reached.

Sincerely,

Garrett P. Lake  
President  
Riverhead Volunteer Ambulance
